The maximum nominal amount that may be issued under this delegation amounts to € 1 million ; it will be deducted from the overall nominal amount of capital increases of € 13 million decided under the 16th resolution of this General meeting.

This operation is submitted for your approval in accordance with Articles L. 225-129-6 of the French Commercial Code (Code de commerce) and L. 3332-18 et seq. of the French Labor Code (Code du travail).

Your Board of Directors proposes that, on the basis of its report, it be authorized for a period of twenty-six months to decide on whether to proceed with an issuance and cancel your preferential subscription rights. If applicable, it shall determine the final conditions of this operation.

It is the responsibility of the Board of Directors to prepare a report in accordance with Articles R. 225-113 and seq. of the French Commercial Code (Code de commerce). Our role is to report on the fairness of the financial information taken from the accounts, on the proposed cancellation of preferential subscription rights and on other information relating to the share issue provided in the report.

We have performed those procedures which we considered necessary to comply with the professional guidance issued by the French Institute of Statutory auditors (Compagnie nationale des commissaires aux comptes) for this type of engagement. These procedures consisted in verifying the information provided in the Board of Directors' report relating to this operation and the methods used to determine the issue price of the shares.

Subject to a subsequent examination of the conditions for the proposed issuance, we have no matters to report as to the methods used to determine the issue price for the capital securities to be issued provided in the Board of Directors' report.
