(1) This profit, increased by the retained earnings from previous years of €2,945,604,044.79 and after allocation to the legal reserve, results in a distributable profit of €3,727,437,075.92.

(2) In compliance with Article 238 *bis* AB, paragraph 5 of the French General Tax Code.

(3) The aggregate amount of the dividend will be adjusted according to the change in the number of shares between January 1, 2023 and the date of this General Meeting as a result of the exercise of share subscription options, it being specified that the maximum number of shares that may derive from the exercise of options is 19,086,147, representing a maximum additional dividend of €4,008,090.87.

Dividends taxed at the progressive rate of income tax are also subject to social security contributions at a rate of 17.2%.

Pursuant to Article 243 *bis* of the French Tax Code, it is noted that dividends per share paid over the last three years have been as follows:

- 2) resolves that the maximum number of Options that can be granted by the Board of Directors and not yet exercised cannot grant entitlement to subscribe or purchase a number of shares exceeding 3% of the share capital. This limit should be assessed at the time when the Options are granted by the Board taking into account the new Options offered therefore and also those from preceding allocations resulting from this present authorization which have not yet been exercised;

The Options exercise price, as determined above, can only be amended if the Company performs one of the financial or securities transactions outlined in Article L. 225-181 of the French Commercial Code.  - d) where necessary, limit, suspend, restrict or prohibit the exercise of Options or the sale or transfer to bearer form of the shares obtained by exercising the Options, during certain periods or following certain events, and this decision may cover some or all of the Options or shares or concern some or all of the Beneficiaries,
 - e) determine the dividend bearing date, even retroactively, of the new shares as a result of the subscription Options;
- 10) resolves that the Board of Directors will have, with the possibility to delegate under the legal conditions, all powers to record the completion of the capital increases to reflect the amount of shares actually subscribed by exercising the subscription Options, amend the by-laws accordingly and, at its sole discretion and as it sees fit, charge the costs of the capital increases against the share premiums arising therefrom and deduct from this amount the sums necessary to increase the legal reserve to one tenth of the new share capital after each capital increase, and perform all formalities necessary for the listing of the securities thereby issued, make all declarations with the relevant bodies and generally do all that is necessary;
