## Dassault Systèmes

General Meeting of Shareholders of May 23, 2017

Twenty-second resolution

Statutory auditors' report on the issue of shares or various securities reserved for employees who are members of the Company's savings plans

To the Shareholders,

In our capacity as statutory auditors of your Company and in compliance with Articles L. 228-92 and L. 225-135 and seq. of the French Commercial Code (*Code de Commerce*), we hereby report on the proposal to the Board of Directors to decide whether to proceed with the issuance of new shares or other securities giving access to capital with cancellation of preferential subscription rights, reserved for employees who are members of your Company's savings plans and companies which are related to it in accordance with Articles L. 225-180 of the French Commercial Code (*Code de commerce*) and L. 3344-1 of the French Labour Code (*Code du travail*), for a maximum amount of € 5,000,000, an operation upon which you are called to vote.

The Board of Directors' report specifies that the overall nominal amount of the increases in capital to be performed may not exceed € 12,000,000 under the seventeenth, eighteenth, nineteenth, twenty-first and twenty-second resolutions.

This operation is submitted for your approval in accordance with Articles L. 225-129-6 of the French Commercial Code (*Code de commerce*) and L. 3332-18 and seq. of the French Labour Code (*Code du travail*).

Your Board of Directors proposes that, on the basis of its report, it be authorized for a period of twenty-six months to decide on whether to proceed with an issuance and proposes to cancel your preferential subscription rights. If applicable, it shall determine the final conditions of this operation.

It is the responsibility of the Board of Directors to prepare a report in accordance with Articles R. 225-113 and seq. of the French Commercial Code (*Code de commerce*). Our role is to report on the fairness of the financial information taken from the accounts, on the proposed cancellation of preferential subscription rights and on other information relating to the share issue provided in the report.

We have performed those procedures which we considered necessary to comply with the professional guidance issued by the French National Auditing Body (*Compagnie nationale des commissaires aux comptes*) for this type of engagement. These procedures consisted in verifying the information provided in the Board of Directors' report relating to this operation and the methods used to determine the issue price of the shares.

Subject to a subsequent examination of the conditions for the proposed issuance, we have no matters to report as to the methods used to determine the issue price for the capital securities to be issued provided in the Board of Directors' report.

As the final conditions for the issuance have not yet been determined, we cannot report on these conditions and, consequently, on the proposed cancellation of preferential subscription rights.

In accordance with Article R. 225-116 of the French Commercial Code (*Code de commerce*), we will issue a supplementary report, if necessary, when your Board of Directors has exercised this authorization in case of issuance of shares or other securities, that give access to other securities and in case of issuance of securities that give access to capital securities to issue.
